Line up

- Weight: 7.0g
- Length: 64mm
- Split ring #3
- Recommended hook / treble 10 Single 6

FEATURES

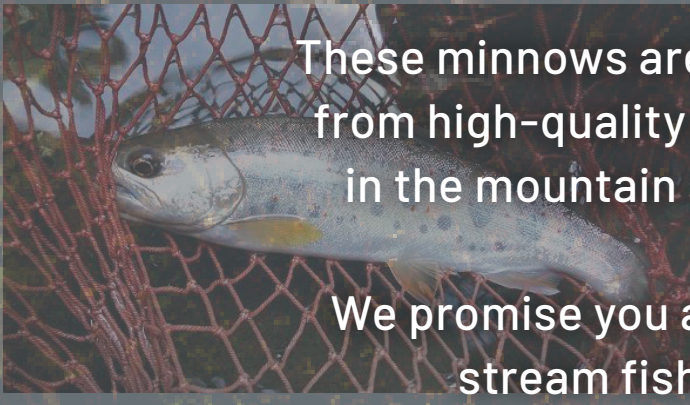

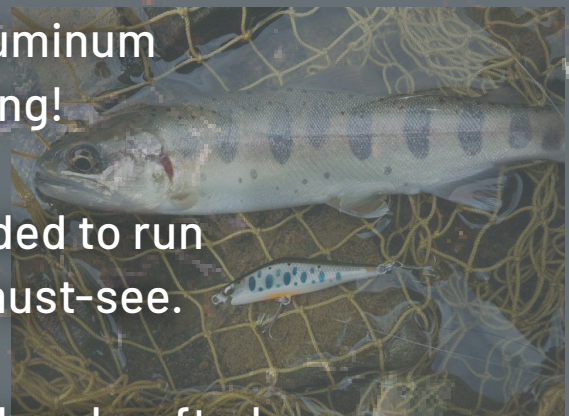

Developed to catch wild fish with delicate and versatile twitching.

Flat body wire-drawn aluminum foil enhances flashing!

The excellent balance needed to run through rapids is also a must-see.

These minnows are carefully handcrafted from high-quality materials and created in the mountain streams of Mt.Hyono.

We promise you a wonderful mountain stream fishing experience.
